Dear Gerry,

Sorry it has taken so long. I wanted to be sure I had everything in the files. I am confident I do not, but I have their assurance they have nothing I did't already have. Here that is.

In the course of time I will perhaps find more. If and when I do, I'll send you copies.

If there is any comment you'd care to make about these, I'd welcome it, especially if you decide to tell me the truth.

And any time you want to tell me the truth about Brown, I'll welcome that, too. I do not for one minute think he went to Viet Nam or that he intended to.

Stay out of trouble and have a good year.

Sincerely,

Harold Weisberg
